

Farm Safety Instructor for Rural Elementary Schools

Peace Region

The Farm Safety Centre is currently seeking an individual in the Northern Peace region of Alberta to join our team of Farm Safety Instructors. Instructors deliver in-school farm safety presentations into individual classrooms of rural elementary students throughout Alberta.

The successful applicant must have:

- Strong farming background
- Ability to engage with and instruct elementary aged children
- Reliable source of transportation
- Interest in strengthening rural Alberta
- Acceptable criminal, child intervention & driving record checks

The following would be an asset to the successful applicant:

- Experience in an elementary school environment
- Comfortable with technology – presentations use a computer, projector and a tablet

This is a contracted position. Pay for the successful applicant will be based on the number of classroom presentations delivered, a travel allotment is also provided.

Training will be provided for the successful applicant with the expectation of delivery beginning in September.
